# TASK Current

*TASKDOOR Security Solutions has consistently served the healthcare market with robust and reliable products. At TASKDOOR we have stepped up the pace with expanded solutions that address the changing needs of the healthcare environment. We have many additions in door openings and trims designed for healthcare solutions to the addition of frameworks for interior doors and frames, the range of solutions will meet and exceed expectations. With TASKDOOR you will find innovative solutions for healthcare units, medical office buildings, and hospitals, as well as government buildings such as medical centers and clinics. TASKDOOR is pleased to present these solutions and resources to help you set the pace for safety, security, suitability and design in today's healthcare.*

## TASKDOOR Fire Rated Patient Room Access Door Solutions

- The Patient Room Access Door from TASKDOOR is equipped to provide security and dependability for healthcare facilities, where caretakers or healthcare staff can access a patient's room in an emergency and yet maintain the security needed.
- The main door has the standard swing of a patient room door. The inner door can open to the corridor giving authorized personnel quick access to the patient's room.

## TASKDOOR Fire Rated Panel Solutions

Access Panels from TASKDOOR can be specified in commercial, industrial, public and residential buildings. They are available as wall or ceiling panels, in either standard or a choice of performance options. Panels are available for use in 60 or 180 minute fire-rated constructions. The panels are available in a range of standard sizes with a choice of finishes to suit different applications and with a choice of security locks and catches.

# Access Door Solution with aesthetics

**Arora** WOOD STEEL  
Access Door & Panel

*TASKDOOR, is once again, leading the industry. Aesthetics is as important as attention to safety. The TASKDOOR Patient Room Access Door is a practical solution that provides aesthetic and flexibility that meets the industry's codes.*

TASKDOOR provide access door solutions for

- Interactive health units
- Patient room doors
- Psychiatric facilities
- De-escalation rooms
- Correctional facilities
- Assisted living facilities

## Benefits

- Eased edges for safety
- Standard top caps for security

## Options Available

- 60 or 180 minute fire rating
