

Wood Door

Leader in door opening solutions supporting end-user for safety, security and suitability.

TASKDOOR include :
WOOD DOORS | STEEL DOORS | FRAMEWORKS | SPECIALTY DOORS

TASKDOOR has the ability to produce uniquely designed doors, offering architects total design freedom. The beauty and reliability of our wood doors has made TASK DOOR a favored choice for construction projects in Middle East. Our wood doors provide most types and styles and we are one of the unique manufacturers able to deliver custom, specialty and standard doors on the same order.

TASKDOOR - Specialty doors excel during intense operation and in demanding conditions. They can improve efficiency and safety in any application.

Custom Wood Doors

Fire Rated Doors: Granduer

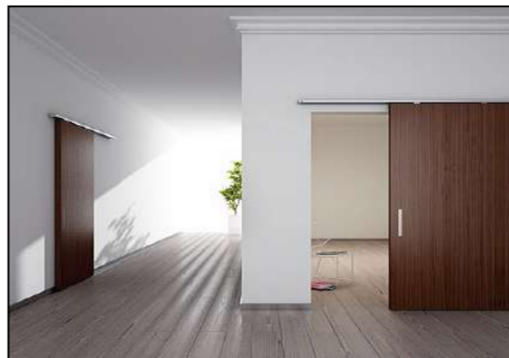

TASKDOOR is the originator in the wood door industry's quest to improve the fire-ratings of our doors. We invented the first commercially available 178 minute fire-rated door. We manufacture doors with 20, 45, 60, 90, 120 minute fire-ratings as well. Our wood doors are manufactured to fit and finish, guaranteeing long-term, reliable performance. All doors meet or exceed quality standards.

STC: Trankuil

Noise control is a concern for a wide range of building applications. With our capabilities we provide sound retardant doors for use in sound sensitive environs like airports, hospitals, government buildings, auditoriums, hotels, and educational institutions. High STC levels are available with our specialty doors.

Bullet Resistant: BulletResist

TASKDOOR provides this cost-efficient wood door finish solution that protects against assault and vandalism at vulnerable door openings such as courthouses, banks, schools and post offices. It is available with bullet resistant glass.
